

TRAVEL/LEISURE TRAVELING BY COMMERCIAL CARRIERS CHECKLIST

- Check food cooler/container requirements (dry ice is not permitted on most airlines)
- Check food and drink restrictions with airline or transportation authority
- Contact all airports or transportation authority for banned items
- Contact the commercial carrier to its rules and regulations
- Measure and weigh luggage (if applicable)
- Luggage locks (use airline approved locks)
- Know carry-on restrictions
- Headphones with 2 and 1 pin adapter
- Call airline or transportation authority the day before travel for any security updates
- Determine parking of personal vehicle at airport, train or bus station
- Avoid the airport crowds: for early morning flights, drop off travelers at arrivals and have them walk to the departure area; for late evening arrivals, pick up at the departure area
- Especially for men, place small personal carry-on items (wallets, keys, loose change, etc.) in a zip lock bag to go through security
